

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Chris Pope

Electric Utility Provider : FPL

Zip Code : 34953

Category : Power restoration time

Comments : I think they did a decent job considering the outage size. I was out for 4 days, then went out 2 more times before was "fixed" for good. Problem is FPL service here in Pt St Lucie is fair in good weather. In the 12 yrs I've lived there, the electric goes off/flickers for no reason, no matter what the weather is
