

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Jodi Luff

Electric Utility Provider : Fpl

Category : Power restoration time

Comments : Power was out for 12 days, had an entire team of linemen show up, many poles were completely down, they had the whole street relined in one day! Told us they were missing a part and may have to come back in the morning, but managed to find the part with a nearby crew and power was back that afternoon. Amazing job!
