

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Celia Conti

Electric Utility Provider : FPL

Zip Code : 33323

Category : Power restoration time

Comments : More important is preparation. What can FPL do to prevent outages. The obvious trees & shrubs issues, being a personal responsibility of a home owner, they should not take the blame. However FPL should concentrate on upgrading the entire grid and seriously consider underground options.
