

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Tobias Franoszek

Electric Utility Provider : FPL

Zip Code : 33145

Category : Power restoration time

Comments : It took 9 days to restore power too our house. We did NOT have any hurricane force in the area. FPL's infrastructure is outdated and years of neglecting to cleaning trees and other plants will cause this. It is a grace that we have the electrical infrastructure of a third world country in Miami.
