

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Mary Wunder

Electric Utility Provider : Florida Power & Light

Zip Code : 33073

Category : Power restoration time

Comments : Our power went out Sept 10,2017 thru Sept 15. Our power went out again Sept 22, then again Sept 26, then again Sept 27. The same 68 homes as before. Which meant the problem had not been fixed right the first, second or third time! Hurricane Irma was an act of God, but FPL was an act of stupidity.
