RE: Dollar General Store 12943, Docket No. 20170171-WS

Dear Mr. Ballinger,

This letter is in response to a letter written to Dollar General on September 28, 2017 regarding activities at our Dollar General Store #12943 located at 15300 Blountstown Highway in Tallahassee, FL. Please be advised that this store does not provide water or wastewater services to the public for compensation therefore would affirm the original letter's assumption that Dollar General does not operate as a "utility" under the definitions found in Florida Statute 367.021(12). Therefore Dollar General is not subject to regulation by the Commission. In the event that these circumstances change Dollar General would notify the Commission, prior to undertaking these new endeavors. If you have any questions regarding this matter please do not hesitate to contact me at your convenience.

Sincerely,

Eric Voyles
Director, Facilities Management
