

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name :

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 33444

Category : Power restoration time

Comments : Our power initially went out at 6pm on 9-10-17. I filed a complaint on the FPL website and they said the power would be back in the next day or so. The apartment complex around the corner and most of everything along the main road received power the next day while our neighborhood did not have power back until the evening of 9-14-17.
