AND

ALL OTHER INTERESTED PERSONS

DOCKET NO. 20170225-EI

PETITION FOR DETERMINATION OF NEED FOR DANIA BEACH CLEAN ENERGY  
CENTER UNIT 7, BY FLORIDA POWER & LIGHT COMPANY.

ISSUED: October 27, 2017

NOTICE is hereby given pursuant to Rule 25-22.080(3), Florida Administrative Code, that the Florida Public Service Commission has received a petition from Florida Power & Light (FPL) for a determination of need for the Dania Beach Clean Energy Center. FPL proposes to construct a natural gas-fired combined cycle power plant, with an expected summer peak rating of 1,163 megawatts (MW), at the site of FPL's existing Lauderdale plant site in Broward County, Florida. According to FPL's petition, the Dania Beach Clean Energy Center will enable FPL to replace the older, less efficient existing Lauderdale Units 4 and 5 at the site, to produce economic, reliability, and fuel usage benefits for FPL's customers. This matter has been assigned Commission Docket No. 20170225-EI.

Copies of the petition and supporting documentation are available for public inspection on the Commission's website ([www.floridapsc.com](http://www.floridapsc.com)) and during normal business hours at the following location:

Florida Public Service Commission  
Office of Commission Clerk  
2540 Shumard Oak Boulevard  
Tallahassee, Florida 32399-0850
