Re: Docket No. 20170141-SU: Application for increase in wastewater rates in Monroe
County by K W Resort Utilities Corp.
Our File No. 34000.04

Dear Chairman Brown:

By letter docketed on June 30, 2017, you approved the request of K W Resort Utilities Corp. (“Company”) for a June 30, 2017, test year for its upcoming rate case. As a result of Hurricane Irma, the Company has not been able to complete the documentation necessary to file a completed Application by that deadline, and requests that you extend that filing deadline to November 30, 2017.

Further, in addition to the pro forma expenses identified in the original test year request letters, the Company will be requesting pro forma expenses in connection with Hurricane Irma damages.

Should you or members of the Staff have any questions regarding this request, please do not hesitate to contact me.

Very truly yours,

/s/ Martin S. Friedman
