RE: Declaration of Force Majeure Event

Dear Ms. Stauffer:

On September 13, 2017, AT&T Florida declared a service emergency due to Hurricane Irma that began September 9, 2017 pursuant to Section 4.5.2 of AT&T Florida's Self Effectuating Enforcement Mechanism Administration Plan ("SEEM Plan"), approved by the Florida Public Service Commission in Order No. PSC-10-0545-PAA-TP, issued August 25, 2010, with implementation on October 29, 2010. The Service Quality Measures ("SQMs") impacted during this force majeure event include all measures associated with Provisioning, Maintenance and Repair, and Trunk Group Performance.

I am pleased to inform you that as of October 31, 2017 AT&T Florida has lifted the remaining force majeure declaration associated with Provisioning, Maintenance, and Repair, and Trunk Group Performance in 136 of the 196 designed wire centers. Attached is the status of the wire centers in which the declaration has been made and those that are now lifted. AT&T Florida operations continue to be impacted but we will inform you as we are able to lift the force majeure on the remaining wire centers.

If you have any questions concerning this matter, please call me or MaryRose Sirianni at (850) 577- 5553.

Sincerely,

*Elise R. Banister*
