STAFF'S FIRST DATA REQUEST
via email

Re: Docket No. 20170231-EI - Petition for approval to transfer Martin- Riviera Lateral Pipeline to Florida Southeast Connection and implement associated rate adjustments, by Florida Power & Light Company.

Dear Mr. Donaldson:

By this letter, the Commission staff requests that Florida Power & Light Company (FPL) provide responses to the following data requests.

1. Paragraph 12 states, in part, that the gas transportation contract at issue in this proceeding has an initial term of 24 years. Please address why a term of 24 years was chosen for this gas transportation contract.

For the purpose of questions 2-5, please refer to Attachment REB-1, exhibit attached to the Declaration of Robert E. Barrett, Jr., as filed in this docket.

2. Why was a term of 40 years chosen for the CPVRR analysis? Discuss in your response why the savings calculation (based on a 40 year period) was used in this proceeding when the initial term of the gas transportation contract is only 24 years.
3. Referring specifically to row 13, please identify the cumulative Net Customer (Savings) / Costs for the years 2018-2040.
4. Referring specifically to row 13, please identify the Net Customer (Savings) / Costs for the year 2041 (which is the final year in the 24 year term).
5. Column O in Attachment REB-1 shows a single set of data for the years 2028-2057 (in other words, years 11-40 of the 40 year period are collapsed and shown as a single data set). Please provide a version of Attachment REB-1 that shows year-by-year data for the years 2018-2057 (all of the years of the 40 year period).

6. Footnote 2 (from Paragraph 13) also states that FPL performed a calculation of the CPVRR savings for customers based on a 30 year gas transportation contract. Please explain why the estimated CPVRR saving for a 30 year period is \$7.3 million, and the estimated CPVRR saving for a 40 year period is \$2.8 million.

Please file all responses electronically no later than Wednesday, December 6, 2017 from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6218 if you have any questions.

Sincerely,
