

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : ROBERT SIERRA

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 33445

Category : Other

Comments : Streetlights. In the City of Delray Beach, there are several streetlights hanging by the wires which still have power to them and streetlights facing into oncoming traffic. Blocks 7 blocks of streetlights are still out. All this being cause by this past hurricane. This is a life safety issue for the public and for pedestrians / traveling public. This was reported to FPL in Miami over 2 weeks ago. Thank you.
