RE: FPSC Inquiry Number 1265882C

Dear Ms. Denison:

The Governor's office forwarded a copy of your email regarding Florida Power & Light Company (FPL) to the Florida Public Service Commission (PSC). The PSC regulates investor-owned electric, and natural gas utilities throughout the state, and investor-owned water and wastewater utilities in those counties which have opted to transfer jurisdiction to the PSC. The PSC has authority in the telephone industry which is limited to the Lifeline Assistance Program, Florida Relay Service, and pay telephone service. We appreciate the opportunity to assist you.

You expressed a concern about FPL's petition for determination of need for Dania Beach Clean Energy Center Unit 7. We will add your comments to the correspondence side of Docket No. 20170225-EI.

If you have any questions or concerns please contact Ellen Plendl at 1-800-342-3552 or by fax at 1-800-511-0809.

Sincerely,

A handwritten signature in blue ink that reads "Randy Roland".
