BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for determination of need for
Dania Beach Clean Energy Center Unit 7,
by Florida Power & Light Company

DOCKET NO. 20170225-EI

DATE: January 3, 2018

**SIERRA CLUB'S REQUEST FOR CONFIDENTIAL CLASSIFICATION OF
INFORMATION PROVIDED IN RESPONSE TO FLORIDA POWER & LIGHT
COMPANY'S SECOND REQUEST FOR PRODUCTION OF DOCUMENTS (Nos. 2-7)
AND DEPOSITION DUCES TECUM OF DR. EZRA HAUSMAN**

Pursuant to the November 6, 2017, Order Establishing Procedure, Order No. PSC-2017-0426-PCO-EI (the "OEP"), Section 366.093, Florida Statutes, and Rule 25-22.006, Florida Administrative Code, Sierra Club requests confidential classification of portions of two documents provided to Florida Power & Light Company ("FPL") in response to their Second Request for Production of Documents and request for documents accompanying the notice of deposition duces tecum of Dr. Ezra Hausman on the following grounds:

1. On December 5, 2017, FPL served its Second Request for Production of Documents on Sierra Club and on December 7, 2017, FPL gave notice of taking deposition duces tecum of Dr. Ezra Hausman, which requested deponent bring certain documents. Following initial productions in response to these requests and discussion with FPL counsel, Sierra Club has agreed to supplement its responses to these requests with materials that include confidential information of a type enumerated in Section 366.093(3), Florida Statutes.
2. Sierra Club provided redacted copies of these two documents to FPL and mailed a compact disc containing the redacted confidential information to FPL on January 2, 2018, the same day Sierra Club submitted this request for confidential classification to the

Commission Clerk, as provided in the OEP and Rule 25-22.006, Florida Administrative Code.

3. Sierra Club includes Exhibits A and B as part of this request. Exhibit A is non-redacted versions of the two documents with confidential portions highlighted and has been sent on a compact disk to the Commission Clerk. Exhibit B is redacted versions.
4. Sierra Club requests confidential classification of proprietary confidential business information, seeking protection analogous to those provided for public utilities under Section 366.093(3)(d), Florida Statutes, which protects “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.”
5. Sierra Club asserts that the highlighted information in Exhibit A contains proprietary details of Sierra Club’s contract with its expert witness and that its disclosure would undermine future efforts by it and by its expert witness to effectively negotiate for favorable terms in future transactions with other entities.
6. Sierra Club affirms that the highlighted material for which confidential classification is sought is intended to be private; is treated by Sierra Club as private; and has not been disclosed. Rule 25-22.006, Florida Administrative Code.
7. Sierra Club requests that, if the Commission finds that these documents contain confidential information as sought, the Commission set an effective period of 18 months and orders the return of the records from all parties when these records are no longer necessary for the commission to conduct its business. Section 366.093(4), Florida Statutes.

Wherefore, Sierra Club respectfully requests that the Commission grant its Request for Confidential Classification.

Respectfully submitted this 3rd day of January, 2018.
