The above confidential material was filed along with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

RE: CONFIDENTIALITY OF CERTAIN INFORMATION
DOCKET NO: 20170225-EI DOCUMENT NO: 00137-2018
DESCRIPTION: FPL (Cox) - FPL (Cox) – (CONFIDENTIAL) Information provided in response to staff's third request for POD (No. 16); Exh. A.
SOURCE: Florida Power & Light Company

Pursuant to Section 366.093, (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL or Company) requests confidential classification of certain information filed in response to staff discovery, in the above referenced docket. This recommendation specifically addresses information provided in response to staff's third request for POD (16), Exh. A.

The Company is claiming confidentiality of the information provided in response to staff's third request for POD (16), Exh. A, under Section 366.093(3)(e), F.S. Per the Statute, proprietary confidential business information includes, but is not limited to; (e) "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

The information provided in response to staff's third request for POD (16), Exh A for which confidential treatment is being sought, can be described as capital and operating cost projections for solar and battery storage. Staff has reviewed the information FPL filed as well as its confidentiality request and believes the information that is the subject of the request meets the criteria for confidentiality contained in Section 366.093(3)(e), F.S.
