**Re: Docket No. 20170178-WS - Application for original certificates of authorization for existing utility currently charging for water and wastewater service in Polk County, by The Harbor.**

Dear Mr. Keller:

The Florida Public Service Commission (Commission) staff reviewed the affidavits of noticing submitted to the Office of Commission Clerk on January 17, 2018. On the first page of the affidavit of mailing the notice to the customers and to the government authorities and utilities required by Commission rules, staff found an apparent error. In the following statement, it appears that the date is incorrect, and that the word "First" is misspelled:

The Notice, which is attached hereto as Exhibit "A", was mailed, in a separate notice, on June 24, 2016 by Frist Class United States Mail.

Please correct the date and spelling, have the corrected document notarized, and resubmit the entire package to the following address:
