Re: Docket No. 20170215-EU- Review of electric utility hurricane preparedness and restoration actions – Staff's Third Data Request

To Whom It May Concern:

Please be advised this submission is related to the subject matter above and is answered on behalf of Homestead Public Services - Energy, or HPS – Energy, the municipal electric utility for the City of Homestead, Florida.

In response to the PSC Staff's Third Data Request, HPS – Energy did not incur any damage to storm hardened structures due to Hurricane Irma in which repairs or replacement was required.

Please contact me should you have any questions or concerns.

Thank you.

Sincerely,

Barbara Quiñones

Re: Docket No. 20170215-EU - Review of electric utility hurricane preparedness and restoration actions.

To Whom It May Concern:

By this letter, the Commission staff requests that each utility provide responses to the following data requests.

1. Please provide the following information for a specific example where storm hardened structures incurred damage and required repair or replacement due to Hurricane Irma.

HPS – Energy, City of Homestead Response:

HPS - Energy did not incur any damage to storm hardened structures due to Hurricane Irma in which repairs or replacement was required.

- a. A description of the damage incurred (i.e. broken pole, displaced underground vault, etc.).
- b. A description of the repair process, including a description of any temporary repairs that required a follow-up trip.
- c. A description of the repair process if the facilities had not been hardened.

Please file all responses electronically no later than February 19, 2018 from the Commission's website at www.floridapsc.com, by selecting the **Clerk's Office** tab and **Electronic Filing Web Form**. Please contact me at wtaylor@psc.state.fl.us or at 850.413.6175 if you have any legal questions, or contact Emily Knoblauch for technical questions at eknoblau@psc.state.fl.us or at 850.413.6632.

Sincerely,
