Re: Docket No. 20180022-WU – Application for staff-assisted rate case in Lake County by Pine Harbour Waterworks, Inc.

Dear Mr. Rendell:

Commission staff has completed its review and has determined that Pine Harbour Waterworks, Inc. (Pine Harbour or Utility) is eligible for a staff-assisted rate case (SARC).

The staff engineer has determined the filing fee in this rate case is \$500. The fee, as set forth in 25-30.020(2)(f), Florida Administrative Code (F.A.C.), is based on the capacity of the Utility's systems as provided by Section 367.145(2), Florida Statutes (F.S.). Therefore, the Utility included the correct filing fee amount with its SARC application received on January 23, 2018.

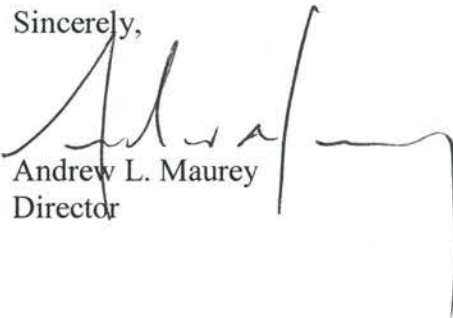

Section 367.091(2), F.S., provides:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding and the commission shall grant intervenor status to any governing body that files a petition.

Please forward a copy of Pine Harbour's application for a SARC to the chief executive officer of Lake County as required by law, and copy the Commission as proof that an application was forwarded to them.
