

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Diane D'Avanzo

Electric Utility Provider : EI801 - Duke Energy

Zip Code : 32714

Category : Power restoration time

Comments : During the September 2017 Hurricane it took Duke Energy 8 days to restore electric to my home. Including solar power as a back-up or supplemental to electric power must become an reality for our near future.
