

Review of Electric Utility Hurricane Preparedness and Restoration Actions

Docket No : 20170215-EU

Name : Bernita B Smith

Electric Utility Provider : EI802 - Florida Power & Light Company

Zip Code : 34109

Category : Other

Comments : I live in an Independent Community where our service was off for only about 24 hours. Many other citizens were not so lucky. My friend had no services for 10 days. Please do all you can to ensure that environmentally safe (wind power) service becomes a reality in FL as soon as possible. Thank you.
