APPLICATION FOR INCREASE IN WASTEWATER RATES IN
MONROE COUNTY BY K W RESORT UTILITIES CORP.

DATED: February 21, 2018

NOTICE OF INTERIM RATE INCREASE

On February 6, 2018, the Florida Public Service Commission approved interim wastewater rates for K W Resort Utilities Corp. customers in Monroe County. The interim rates will be effective five days after the date of this Notice. The interim rates will be collected subject to refund, pending the Florida Public Service Commission's final decision regarding final rates. If a refund is ordered, it will include interest based upon Commission determined factors.

The Utility's current rates, requested interim rates, and the Commission approved interim rates are set forth below. The final rates are subject to change based on information presented at the customer and technical hearings, and the final decision by the Commission. The referenced Surcharge will be applied only to the first month's billing in order for the Utility to recover the over-refunded amount from the Company's prior rate case.
