Hi Margo,

Thank you for bringing that to our attention. We have updated the description for Docket 20180033 to include the CLK note. We have also updated the docket titles and utilities for Dockets 20180034 and 20180035 to match Teleport's name as originally filed in the petitions. If there are any changes to be made, please advise.

Thank you for your help!

Dorothy

Hi Dorothy,

I am assigned to Docket Nos. 20180033-TA, 20180034-TA, and 20180035-TA, that were all filed by Teleport. I noticed that there is a Clerk's note on Docket Nos. 20180034-TA and 20180035-TA indicating that Teleport's name in its filing does not match name shown in MCD. Should there also be a Clerk's note on Docket No. 20180033-TA (there is not one currently)?

Thanks!

Margo
