Subject: Docket No. 20170199-EI

We wish to discuss this Docket with the commissioners: Docket No. 20170199-EI – Petition for approval of conservation street and outdoor lighting conversion program, by Tampa Electric Company.

We are a FDOT approved Florida Manufacturer of LED Lighting and are looking for the approval to this docket be dependent upon using a qualified Florida Manufacturer and putting Florida Made first.

We have local families and jobs at stake here and to see this project going forward without using a local manufacturer would be a terrible thing!

You can read about us here:

Look forward to your response.

Regards

Jeffrey J Newman
