Lee,
The \$300 was an estimate. What I sent yesterday were actual — air, hotel , meals.

Mr. Friedman,

Thank you very much for the prompt reply. Could you just explain what you meant by “another \$60 for meals”? Is this on top of the \$300 in the filing and is it for Mr. Gallarda? Thanks.

Lee,

Attached are hotel & airline expense documentation. I will be chauffeuring him around so he will not need a rental car. Plug in another \$60 for meals.

Let me know if you need anything else. Marty

Mr. Friedman,

Please refer to Attachment 2 from the Utility's response to Staff's Second Data Request. Were the printouts for airfare, hotel, and rental car submitted to the Commission already booked and paid for? Or were these just estimates in support of the Utility's request? If they were already paid for, has Mr. Gallarda booked new accommodations due to the change in Agenda dates?
