Re: Correction to Petition of Tampa Electric Company for Approval of Revisions to Rate Schedule COG-2 for the Standard Offer; Docket No. 20180082-EQ

Dear Ms. Stauffer:

This letter will serve as a correction to the Petition we filed on behalf of Tampa Electric Company on April 2, 2018 for approval of revisions to the company's Rate Schedule COG-2 for the Standard Offer. Paragraph 4 of the company's Petition erroneously identifies a 220 MW CT with an in-service date of January 1, 2023 as Tampa Electric's next avoided unit. That should have said a 245 MW CT with an in-service date of January 1, 2023. We would appreciate your distributing a copy of this letter to each person to whom you distributed the company's April 2, 2018 Petition so that it may serve as a correction to Tampa Electric's avoided unit.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
