RE: CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NO: 20180091-EQ DOCUMENT NO: 03350-2018

DESCRIPTION: FPUC (Keating) - (CONFIDENTIAL) Information contained in documents provided in response to staff's first data request.

SOURCE: Florida Public Utilities Company

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Public Utilities Company (FPUC) requests confidential classification of certain information contained in documents provided in response to staff's first data request. FPUC requests confidentiality of this information under Section 366.093(3)(d), F.S., which states: "Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms."

The information for which confidential treatment is being sought can be described as rates and payment information from which contractual rates and terms could be extrapolated. Staff has reviewed the information that FPUC has filed, as well as its confidentiality request, and believes the information that is the subject of the request meets the criteria for confidentiality under the section requested.

The above confidential material was filed with a request of confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
- (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.
