RE: Docket 20180049 – Evaluation of storm restoration costs for Florida Power & Light Company related to Hurricane Irma

Dear Chairman Graham:

Given the numerous storm and tax savings dockets underway in 2018 and possibly in 2019, representatives of Florida Power & Light (“FPL”) and I have had discussions relating to the timeframe for processing the above referenced docket to consider the storm restoration costs incurred by FPL related to Hurricane Irma. Based on the Office of Public Counsel’s (“OPC’s”) current and anticipated case load, I believe that the interests of the customers and the Company would be best served by holding the hearing in this docket during the week of February 25, 2019. I have discussed OPC’s proposal to hold the Hurricane Irma Cost Recovery Hearing during the week of February 25, 2019 with Ken Hoffman of FPL and am authorized to represent that FPL has no objection to this proposal.

If you should have any questions, please feel free to contact me or Mr. Ken Hoffman with FPL.

Sincerely,

J. R. Kelly  
Public Counsel

cc: Mr. Ken Hoffman, FPL
