Subject: 17-160 - KWRU

Chris,

How do you want to handle compensation for the housing (hotel) costs incurred during the first weeks of the project? We could either submit a change order proposal which would require a change order to the contract or we could submit a separate invoice which would **not** require a change order to the contract. Please confirm how you wish to handle.

Sincerely,

James M. Contino | Project Manager
