**Subject:** Keys Energy Services

Good afternoon,

To have the services turned on at 3920 S Roosevelt blvd #207W I would need the contract filled out by one of the officers of KW Resort Utilities Corp or have them write you an authorization letter stating you have permission to turn the service on in KW Resort Utility Corps name. Also, I will need a picture of the photo ID of the person that is requesting service.

Thank you,

*Victoria Albury*
