Dear Valued Customer;

There is no easy way to say this but after much contemplation and anguish the Directors of Rosebud Telephone, LLC have decided to close our business effective no later than 30 days from the date of this letter.

We have given a lot of thought on this but faced with the continuous decline of the payphone industry, a proposed price increase, non-payment, and the lack of potential profit we have no choice.

We request that you find alternative service to transfer your lines as soon as possible. Your choices are probably between AT&T, CenturyLink, Frontier, TPX (CA), Birch, or Legacy.

We have valued your business over the past years and we wish each of you success in the future.

Regretfully,

Mary Ann Mitchell, President
