Subject: RE: Country Walk SARC Questions

Good afternoon Doug,

Concerning your question on the voicemail. We held the first meeting with the HOA and DEP on February 11, 2016.

- 1) I'm finding out about the Secondary Standards. I don't think they have and I'm not sure of a date yet. Once I find out – I'll let you know.
- 2) Country Walk does not have any employees. All operations and maintenance is done through the contract with U.S. Water Service Corporation.

Subject: Country Walk SARC Questions

Hi Troy,

I have a couple of questions that, if answered, would help us in writing up the final recommendation when the time comes.

1. According to the 2018 DEP Monitoring Schedule you sent us, Country Walk is due for Secondary Standards testing this year. Has this testing already occurred? If so, please provide us with the results of the testing. If testing has not occurred, what month will it occur?
2. Are the meter readings for Country Walk residents performed by Country Walk employees or independent contractors?

Thanks for taking the time to answer. Feel free to contact me if you have any questions.
