RE:20170235-EL AND 20170236-EU

COMMISSION  
CLERK

MY HUSBAND AND I CAME FROM A MIDWEST STATE AND DECEIDED  
TO RETIRE IN FLORIDA. IT HAPPENED THAT WE BOUGHT IN AN AREA  
COVERED BY VERO BEACH UTILITIES.

WE HAD NEVER BEFORE SEEN AN ELECTRIC COMPANY THAT HAD  
AN ADDITIONAL CHARGE ADDED TO OUR USAGE. NOT ONLY WAS IT  
AN ADDED CHARGE BUT IT WAS LARGER THAN OUR USAGE.

THEN WE ALSO FOUND THAT WE WERE NOT EVEN ALLOWED TO  
VOTE AGAINST THIS CHARGE. DO YOU THINK THAT THIS SHOULD  
BE ALLOWED. NOT ONLY ARE WE RETIRED BUT ON LIMITED  
INCOME.

WE NOW HEAR THAT INSTEAD OF FPL TAKING OVER AND FINALLY  
WE WILL SEE A DECENT CHARGE FOR ELECTRIC SOME PEOPLE ARE  
PROTESTING. DO THESE PEOPLE EVEN PAY THEIR ELECTRIC THE  
WAY WE HAVE TO???

PLEASE HELP US TO FINALLY GET FINANCIAL HELP THAT WE WERE  
LOOKING FORWARD TO.

FRUSTRATED////////
