DOCUMENT NO. 05221-2018

Dear Commissioners Clark, Brown, Graham, Palmann
and Jay,

I am an Indian^{river} County resident for 6 years
and a former resident of Vero Beach City for
10 years. I have followed the electric issue
every since the former city council with
the guidance of the former city attorney
went into contract with FMP. They did
so without reading the full contract
and all the restraints of the City of Vero
Beach withdraw from FMP.

I voted at least once (maybe twice), while
in the city, to sell the system. Both
times the referendums passed to sell.

After many years the deal was made with
FPL and you (the PSC) issued a proposed
order that allowed the sale to finalize
on Oct. 1, 2018.

We the majority of the City of Vero Beach

and probably most of the residents of Indian River County who have Vero Beach Electric (but cannot vote on this matter) hope that you will stand by your decision in June 2018 to approve the sale to FPL.

Thank you for your consideration of my request.

Sincerely,

Jan Mooney
