CUSTOMER COMMENTS
<p>WE too have blue staining in our toilets that does not come out. Question #11 why do we have to pay for it, especially at the 110% RATE 1/2 of that would be sufficient. Question #16, we just moved to Country Walk and had received two such notices. We had our water tested and our well, also and our well water was better than our house water. We agree that there should be a generator for a backup also.</p>
