Mr. Wilson, as previously addressed in staff's December 2017 deficiency letter the Utility must submit an affidavit of noticing to the necessary entities. To date staff has not received the described affidavit. The entities list previously provided (August 22) by Ms. Watts expires tomorrow, therefore if the notice does not get out by tomorrow a new list will need to be sent to you. Please let me know if you have any questions.

Best Regards  
Robert Graves
