Please allow us to receive the lower rates FPL can offer the people of Vero Beach. We have voted and passed two referendums for the sale, put up with dishonest politicians, and paid millions of dollars more than we should.
We have spent almost ten years trying to complete this sale to FPL. You have the power to make this happen. Please dismiss the petition from FIPUG and let justice prevail Barbara DeTurris Resident of Vero Beach

Dear Ms. Stauffer,
As a resident of Indian River County , for over 16 years, I ask you to please support the sale of the City of Vero Beach Electric Utility to FPL.
The residents of the City of Vero Beach voted twice in favor of selling the City utility to FPL. Like the City residents we in the county also support this sale. We have been all paying higher rates of between 20 & 25 percent , compared to FPL, for a very long time. This has had a negative effect on the economy throughout the Indian River County. It is time to complete the sale to FPL.
Your assistance in this transaction is greatly appreciated.
Sincerely,
Vincent E. DeTurris
