Re: Docket No. 20180143-EI – Petition to initiate rulemaking to revise and amend portions of Rule 25-6.0426, F.A.C., by Florida Power & Light Company, Gulf Power Company, and Tampa Electric Company.

Dear Messrs. Badders and Griffin:

By this letter, the Commission staff requests that Gulf Power Company (Gulf or company) provide responses to the following data requests:

The following questions 1-3 refer to paragraph 18 of the petition:

1. Please explain and provide support for the statement that Gulf's economic development efforts supported 14,000 jobs.
2. Please explain and provide support as to what degree Gulf's economic development efforts have influenced the 59 new and expanding businesses.
3. Please clarify over what time period the 59 new and expanding businesses are expected to produce an economic impact of more than \$1.2 billion.
4. Referring to paragraph 25 of the petition, please show the calculation to support the \$0.14 impact on a 1,000 kWh monthly residential bill by 2023.
5. Referring to paragraph 25 of the petition, please state the impact on a 1,000 kWh monthly residential bill for 2018, 2019, 2020, 2021, and 2022 based on the economic development rule modifications suggested by the company. In your response, include the calculation to support the bill impact.

6. For 2016, 2017, and 2018, please state the total amount of rate discounts offered to commercial/industrial customers pursuant to all Commission-approved economic development rate schedules. In your response, include the economic development rate schedules the customers take service under, the number of customers for each year, and the discounts given as a percentage of total economic development expense.

Please file all responses electronically no later than October 8, 2018, from the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form. Please feel free to call me at (850) 413-6224 if you have any questions.
