Re: **Docket No. 20170249-WS - Application for Certificates to Provide Water and Wastewater Service in Orange County by RSPI MHC, LLC**
Response to First Data Request

Dear Commission Clerk:

Florida Public Service Commission (Commission) staff submitted the reference data request regarding the referenced application. On behalf of RSPI MHP, LLC responses to the data request are provided below and supporting documents are attached.

1. Please provide separate rate schedules by customer class containing the utility's current rates for water and wastewater service.

Response

RSPI currently has one rate that includes both water and wastewater service, and one customer class. Since it is a mobile home community, all customers receive both services. Rate sheet is attached.

2. Please indicate the monthly average residential demand.

Response

The monthly average residential demand is estimated to be 5,000 gal/month.

3. Please indicate the average hourly salary of the administrative employee processing miscellaneous service requests.

Response

Average hourly salary is estimated to be \$15/hour (excluding benefits).

4. Please indicate the average hourly salary of the field employee performing miscellaneous services.

Response

Average hourly salary is estimated to be \$15/hour (excluding benefits).

5. Please indicate the average number of round trip miles from the utility's dispatch location to the service location.

Response

The average number of round trip miles is estimated to be 5 miles.

6. Please indicate the average number of delinquent accounts each billing period.

Response

The average number of delinquent accounts each billing period is estimated to be 20 accounts.

7. Please indicate customer noticing supplies associated with processing late payment notices such as envelopes and stamps.

Response

The value of customer noticing supplies is estimated to be \$200/month.

8. Does the utility serve any general service customers such as a community club house or a recreation center?

Response

Yes. The property has a common area (club house and pool area) that is served by the utility.

We appreciate your attention to this project. If you have any questions, please contact me a (407) 721-6954 or by email at rwilson@wilschs.com.

Sincerely,

Richard D. Wilson, P.E.
Project Manager
