Subject: Docket 20180144-EI (Review of 2019-2021 Storm Hardening Plan, Florida Power & Light Company)

Hi Johana.

I am writing with respect to Staff's First Data Request to FPL dated September 11, 2018 which asked for responses to be provided no later than November 15, 2018. Our team here at FPL is working to assemble the requested information, but we have not yet been able to complete our work on this matter. As a result, I am sending this note to request an extension of time to respond to the referenced discovery. We currently anticipate that we will be complete and ready to respond no later than December 1, 2018, and hope this will be acceptable to you and Commission Staff.

My thanks in advance for your anticipated cooperation.

If you have any questions or would like to discuss this further, please do not hesitate to contact me.

Best regards,

Ken
