VIA US MAIL

**Re: Docket No. 20180218-SU - Application for staff-assisted rate case in Brevard County by TKCB, Inc.**

Dear Mr. Terry:

Staff has completed its initial review of your application and has determined that TKCB, Inc. (TKCB or Utility) is eligible for a staff-assisted rate case (SARC). The filing fee for this rate case is \$1,000 based on the capacity of the Utility's system as provided by Section 367.145(2), Florida Statutes (F.S.) and Rule 25-30.020(2)(f), Florida Administrative Code (F.A.C.). The filing fee must be received by January 10, 2019, which would be the official filing date for this rate case. **Pursuant to Rule 25-30.455(8), F.A.C., the Commission will deny the application if the utility does not remit the filing fee within 30 days after official acceptance.**

Please forward a copy of TKCB's application for a SARC to the Chief Executive Officer of Brevard County as required by Section 367.091(2), F.S., which states:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding, and the commission shall grant intervenor status to any governing body that files a petition.

Please file an affidavit stating that this requirement has been fulfilled. The affidavit and filing fee should be sent to the address below. Please include the docket number (20180218-SU) on all filings with the Commission Clerk.

Office of Commission Clerk  
Florida Public Service Commission  
2540 Shumard Oak Blvd.  
Tallahassee, FL 32399-0850

Members of Commission staff will contact you to schedule a convenient time for examination of the Utility's books, records, and physical plant. If you have any questions regarding the proceeding, please contact Luis Salvador by phone at (850) 413-6226 or Emily Knoblauch by phone at (850) 413-6632.

Sincerely,

A handwritten signature in black ink, appearing to read "Tom Ballinger". The signature is fluid and cursive, with the first name "Tom" being more prominent than the last name "Ballinger".

Tom Ballinger, Director  
Division of Engineering
