Tallahassee, FL 32399

Docket No. 20180196 - WU

Sunshine Utilities would like to withdraw the application for quick-take amendment of Certificate. Sunshine Utilities is not servicing outside of its certificated area. The reason we were going to expand the service area was to supply a water to a large track of land that had a developer who wanted to build on it. The property did not sell and the developer does not want to continue to build on that land.

Dewaine Christmas  
Sunshine Utilities
