Dear Public Service Commission PSC,

Florida Power & Light gets a \$736.8 million tax cut and wants to reward its investors, not its customers?

Florida Public Service Commission I've had enough of FPL's bad corporate citizenry and I deserve lower electric rates now!

As a Floridian age 50+, I'm fed up that Florida Power & Light getting a massive tax cut and won't hand over the savings to the ratepayers they have slowly bilked over the past few years.

With skyrocketing healthcare and housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people who are on fixed incomes. We need lower rates, now!

Sincerely,

Mr. Jurhan Northe
