Good Morning,

It looks like the complaint reference below was filed in incorrect dockets. Could you please file it in Docket 20180149 and remove it from 20180146 and 20180169?

Thanks,  
Laura

Agreed. The specific complaint (Solar facility construction on adjacent property) doesn't seem relevant to storm hardening or PPAs, but relevant to SoBRA units.

This complaint was filed in 20180146 and 169. I think it should be filed in 20180149 only, your thoughts?
