Subject: Company Contact Information Changes

Good afternoon, Mr. Pratt,

The Florida Public Service Commission, Office of the Commission Clerk, has received an unsigned note titled, "address update" which advises that Pluris Wedgefield's corporate office will be moving, effective 3/1/19, and requesting our records be updated to reflect same. We will be happy to update that information in Docket 20190011-WS, which is currently open to address a name change. However, a company's official contact information can only be changed by a request from the person designated as the official contact person at the company. Our records show that person is Kenneth Pratt, Vice President. If any official company information needs to be changed in our Master Commission Directory (MCD), please fill out the *Change of Regulated Utility Contact Information* form which can be located on the Commission's website. The link is provided below for your convenience.

Once that form is filled out, we will update our MCD records. Thank you for your help. Please contact our office if you have any questions.

Sincerely,

*Dorothy Menasco
