Dear Public Service Commission PSC,

As a Floridian age 50+, we are coping with skyrocketing healthcare and housing prices with minimal increases in Social Security. An increase on our monthly power bill adds up for people, like myself, who are on a limited or fixed income.

Increasing our rates will only damage Florida communities by making it harder for people to afford daily living necessities.

Also I am a disabled veteran on a fixed income new to the area. This rate increase would be detrimental to my family.

Sincerely,

Ms. Kimberly Bilberry
