Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

The greed of FPL is unconscionable! The many seniors calling Florida continues to climb yet the respect for these same people have declined right here in Florida. Why is it FPL is probably the only to keep the rewards of our tax dollars yet pass nothing on to the citizens of Florida!

I will lobby my representatives to stand against FPL in all future windfalls. FPL is only about PROFITS even at the expense of customers.

The monopoly of utilities must end and this is the perfect example as to why. The Voters in Florida supported FPL in hindsight that was a HUGE mistake!. Families and seniors are struggling in Florida, insurance, healthcare, taxes, all continue to rise with no relief in site!

Our Social Security (no it is NOT an entitlement I paid 6 - 8% of my salary for 38 years) does keep pace with the increases we face everyday!

SHAME ON FPL!!

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Ms. Linda Terrell
