Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

Docket 20180046-EI | Comments from a fed up Floridian

Dear PSC

My wife and myself are retired and on a fixed income. Over the past several years we have witnessed our standard of living whittled away by the ever increasing cost of living.

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,
Matt Young
