Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

In regards to docket number 20180046,
As a Floridian on a fixed income I think that FPL should be fair and split the windfall on the tax cut between shareholders AND rate payers.

Customers who get electrical service from other companies across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

Thank you,
Scott Cotten

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.
We need lower rates, now!

Sincerely,

Mr. Scott Cotten
