Public Service Commission PSC, PSC,
FL

Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.

It's important to share profits and tax monies with the people who have no other choice in electric services.
We petition FPL to think of its customers and acknowledge docket number 2018004.

Thank you
G. Huntsinger

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up
for people like me.
We need lower rates, now!

Sincerely,

Mrs. Geri Huntsinger
