Dear Public Service Commission PSC,,

Florida Power & Light gets a \$649.6 million tax cut and wants to reward its investors, not its customers?

I've had enough of FPL's corporate greed and I deserve lower electric rates.

As a Floridian age 50+, I'm fed up that Florida Power & Light is getting a massive tax cut and is passing those savings to shareholders.

Customers across the U.S. have enjoyed lower bills as a result of a tax savings. We should too.i agree lower the light bill please. Isaac Brown 4271swjarmer rd. Port st Lucie Florida 34953

With skyrocketing healthcare, housing prices and minimal increases in Social Security, a decrease in monthly bills add up for people like me.

We need lower rates, now!

Sincerely,

Mr. Isaac Brown
